

**CITY OF DIXON  
CITY ENGINEER/PUBLIC WORKS DEPARTMENT**

**FACILITY USE POLICY FOR YOUTH AND ADULT SPORTS ORGANIZATIONS  
Adopted January 14, 2014**

**1) MISSION:**

It is the policy of the City of Dixon to maintain its parks and recreational facilities in a safe condition that is aesthetically pleasing. Such facilities shall be made available, when appropriate for the purpose of conducting practice and games for use by;

1. Resident Non-Profit Youth Sports Organizations
2. Resident Non-Profit Adult Sports Organizations

When available, facilities shall be made available for use by;

1. Non-Resident Sports Leagues & Organizations
2. Commercial Sports Leagues & Organizations

**2) ESTABLISHING PRIORITY FOR USE:**

The City has a limited number of facilities available for use by sports organizations. Often requests are received for use of the same facility by competing groups. The City will use the following procedure to reserve field space.

A seasonal calendar designating field space and concession stand use for all user groups is developed prior to the start of the season. The calendar is negotiated between requesting groups and then submitted to the Parks & Recreation Commission for review. Criteria considered when developing the calendar include:

1. City Use
2. Dixon Unified School District Needs Per Joint Use Agreements
3. Resident Non-Profit Organized Youth Organizations Open to All Dixon Youth That Meet Age, Grade, or Weight Requirements
4. Resident, Non-Profit Youth Organizations That Limit Participation Based On Skill Level, Tryouts or Other Limiting Factors
5. Resident, Non-Profit Adult Organizations
6. All Other Uses

Due to the limited number of facilities, it is important that all user groups work together in order to maximize use and to create schedules that best accommodate each other. When conflicts arise among groups of the same priority ranking, scheduled use will be negotiated between requesting groups. In the event of scheduling conflicts, the Public Works Director shall make a decision based on the following criteria:

- a) Number of likely participants and spectators that will potentially use the fields and concession stand on the any conflicted date(s).

- b) Proximity of the requested concession stand to the organization's game or event.
- c) Tournaments, post-season play, and playoffs shall have priority over regular season games and regular season games shall have priority over practices and clinics.
- d) The availability of other fields to accommodate the event.

Permission to use a concession stand or storage area is limited to those groups that have a Memorandum of Understanding (MOU) with the City. Use of a concession stand is not exclusive to any one group. City staff will notify groups if multiple groups are authorized to use a concession stand in the same season. Once an organization is given written permission to use a concession stand on specific dates and it is included in the organization's MOU with the City of Dixon, the organization will not be forced to allow another group to use the concession stand on the already approved dates. In the event of scheduling conflicts for dates not reserved in an MOU, groups shall have the right to appeal the Public Works Director's decision to the Parks and Recreation Commission and the Commission shall make a recommendation to the City Council for a final decision.

At the end of each season, the group should remove any perishable materials and small equipment. Any large equipment, such as refrigerators or freezers, shall be unplugged and locked or secured to prevent a safety hazard. Any items left in a concession stand at the end of a season are left at the risk of the user group. The City will not be responsible for the loss of materials and equipment stored in a concession stand. The City shall retain a key to each concession area at all times.

### **3) LIABILITY INSURANCE:**

Each group must maintain and provide proof of liability insurance in an amount not less than \$1,000,000, naming the City as additionally insured. This certificate must be on file and updated prior to any use of City Facilities.

### **4) FACILITIES NOT AVAILABLE FOR ORGANIZED SPORTS USE:**

It is the policy of the City of Dixon that neighborhood parks, as well as Women's Improvement Club Park, are not to be used for the purpose of organized sports games. Current neighborhood parks include Patwin, Conejo, and Veterans Park.
