Solano County
Water Agency

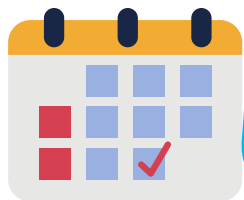

Steps to Applying for Solano County Water Agency's Landscape Rebate Program

DO NOT REMOVE YOUR LAWN UNTIL AFTER YOU HAVE BEEN APPROVED FOR YOUR PROJECT

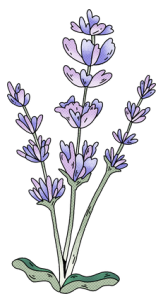

Apply online at www.scwa2.com

Complete a digital pre-inspection or contact our team to arrange an in-person visit at 707-455-1113

Once your project has been inspected and approved you have 120 days to complete your project

Remember to include permeable and natural materials and drought tolerant plants.
ARTIFICIAL TURF AND CONCRETE ARE NOT ELIGIBLE MATERIALS

When your project is done, complete a digital post-inspection or contact our team!

After post-inspection, you will receive a check in the mail within four to six weeks
